

Waiver/PRIME Major Bodies of Work – Individual Perspective

From your perspective as a finance/data/clinical/performance improvement leader, what major bodies of work must be completed by December 2016 within each category for all relevant waiver programs? Write each answer on a sticky note and place it in the appropriate category below.

<p>Data Collection/ Reporting</p>	<p><i>E.g., From a <u>performance improvement</u> perspective: Identify which dashboards need to be created/modified to support leadership in monitoring waiver performance for PRIME metrics and GPP point accumulation.</i></p>
<p>Care Delivery Redesign</p>	<p><i>E.g., From a <u>finance</u> perspective: Use PRIME baseline data to prioritize which care delivery redesign efforts are most critical to bring down PRIME revenue following the DY 12 mid-year report.</i></p>
<p>Stakeholder Readiness/ Engagement</p>	<p><i>E.g., From a <u>clinical</u> perspective: Develop an ongoing process to learn how my clinic managers are informing and engaging front-line staff in PRIME care delivery redesign.</i></p>
<p>Budget/ Resource Allocation</p>	<p><i>E.g., From a <u>data</u> perspective: Identify the staffing and technology resources needed for my data analytics department to accurately report on PRIME, GPP, and WPC.</i></p>
