

Waiver Integration Team Convening  
June 9, 2016  
Pre-Work Activity

---

*Together with your Waiver Integration Team (WIT), please answer the following questions about waiver integration and engagement. Bring your responses to the WIT convening on June 9<sup>th</sup> in Oakland, CA. **Each WIT should prepare one set of responses.***

1. Name 3 examples of how your organization is designing/implementing PRIME, GPP, and WPC in an integrated fashion, so that the waiver programs build on and reinforce one another.

For members **not** participating in GPP or WPC, name 3 examples of how your organization is designing/implementing PRIME projects in an integrated fashion, so that the projects build on and reinforce one another.

1.

2.

3.

2. Name 3 examples of how your organization is designing/implementing PRIME, GPP, and WPC in a way that builds on and reinforces other, non-waiver programs that are of high organizational priority (e.g., PCMH implementation, complex care management initiatives) and/or aligns with broader organizational goals.

For members **not** participating in GPP or WPC, name 3 examples of how your organization is designing/implementing PRIME in a way that builds on and reinforces other, non-waiver programs that are of high organizational priority (e.g., PCMH implementation, complex care management initiatives) and/or aligns with broader organizational goals.

1.

2.

3.

3. Reflecting on the 2010 waiver, name 3 examples of how your organization could have strengthened *staff* engagement and describe how each change might have impacted your waiver work and/or outcomes.

1.

2.

3.

4. Reflecting on the 2010 waiver, name 3 examples of how your organization could have strengthened engagement with *external partners* and describe how each change might have impacted your waiver work and/or outcomes.
