P4P Metrics in Req. Projects: DY12 Mid Year Progress

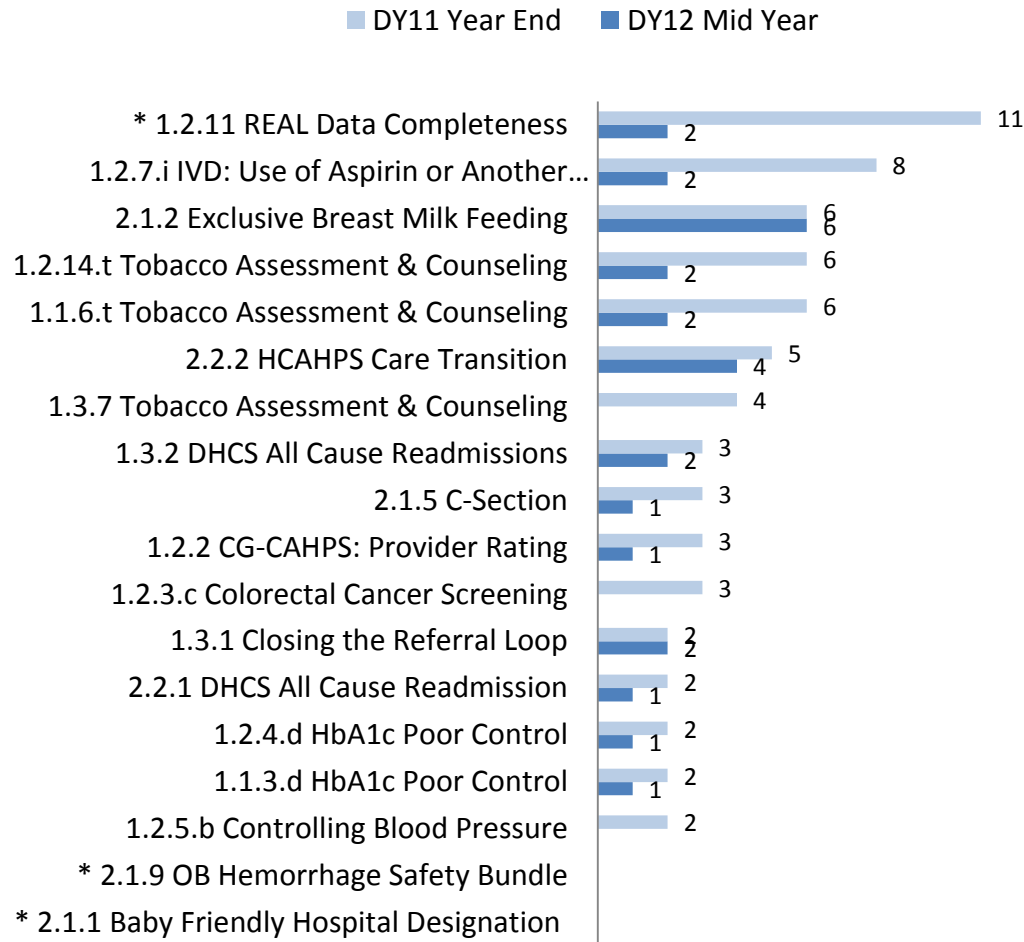

DY12 Mid Year Progress Towards Year End Targets

■ # of DPHs that met or exceeded Year End targets

■ # of DPHs that did not meet or exceeded Year End targets

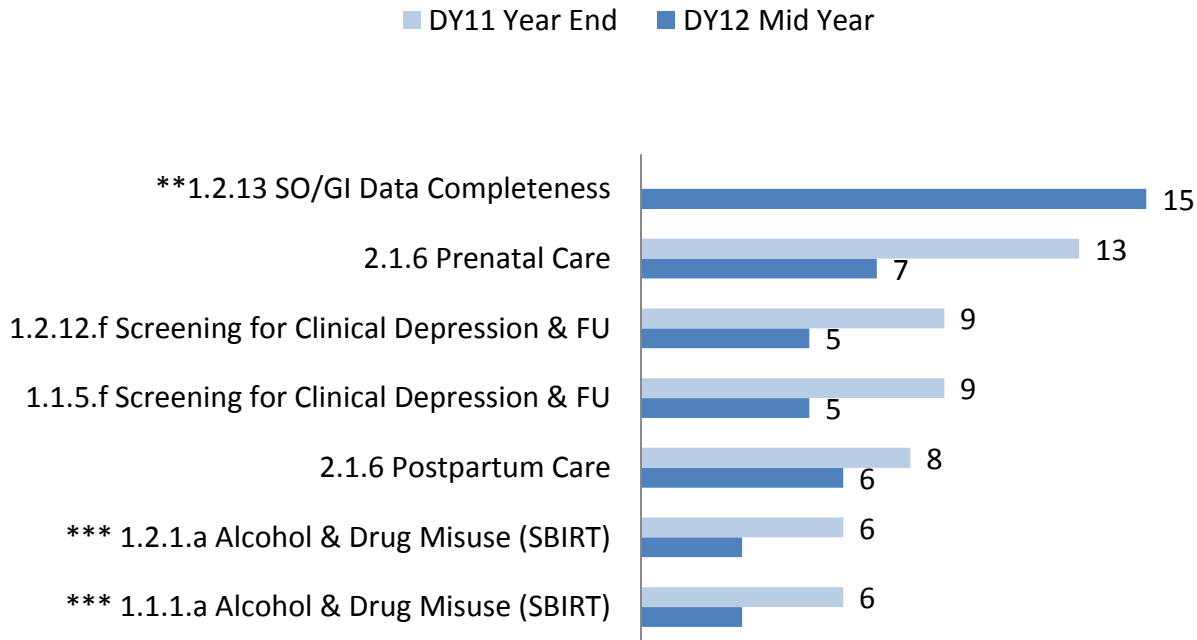

P4P Metrics in Req. Projects: # of DPHs below the 25th percentile

* Metrics with a minimum threshold instead of a 25th percentile

P4R Metrics in Req. Projects: # of DPHs below the 25th percentile

** 1.2.13 So/GI Data Completeness metric was not active in DY11, is P4R in DY12, and has a 10% threshold in DY13

*** Alcohol & Drug Misuse SBIRT does not have a 25th percentile or minimum threshold
A rate of 0% due to lack of data capture is not eligible for incentive payments in DY12 even though it's P4R.
