UPDATES & DISCUSSION

State Information Sharing Guidance

- July 2017: [State Health Information Guidance \(SHIG\) on Sharing Sensitive Health Information](#) released by California Office of Health Information Integrity (CalOHII)

“..authoritative but non-binding guidance from the State of California written in plain language for a general audience. It explains when, where, and why mental health and substance use disorder information can be exchanged and also provides clarification of state and federal laws..”

MORE INFO

- [CalOHII SHIG website](#)
- [Attend July 25 2-4 Webinar](#)

Questions for group:

- Has anyone accessed the SHIG or shared it with relevant staff?
- If you have, are there additional questions you have around data sharing?

Whole Person Care (WPC)

Questions for group:

- Was anyone able to connect with their WPC leads to discuss procurement or other issues?
- Is there additional information that would be helpful?

- Recent Learning Collaborative discussions on procurement in WPC have paused
 - Implementation activity still continues locally
- Other relevant Learning Collaborative activity
 - July 2017: Dr. Linette Scott (DHCS) presented on data sharing rules in the context of the WPC program (including SHIG)
