Please send any updates to kmody@caph.org after the call!

UPDATES & DISCUSSION

Whole Person Care (WPC)

- October 24th WPC convening - **Breakout Session: Developing and Leveraging Data Infrastructure**
 - *Data Governance*: What are some policies and procedures that can be used to address issues related to data sharing?
 - *Technology*: What technology solutions are pilots currently using? What are their strengths and weaknesses? What innovative solutions are available?
 - *Using Data in Care Coordination*: How can data be used to improve care coordination? What are the technology and workflow considerations for ensuring partners have the data they need, when they need it, to coordinate care?
- December quarterly WPC learning collaborative webinar will be about data interoperability (date TBA).

- **Whole Person Care Learning Collaborative Portal**
- **Password - *wpcca***

State Information Sharing Guidance

“NOTICE: Based on questions and feedback from our webinar participants and readers, we have temporarily removed the SHIG to update content and correct some discrepancies. While updates are in progress, the document will be temporarily unavailable through the CalOHII website. We apologize for the inconvenience. Please check back to this site or send us an email at SHIGinformation@ohi.ca.gov requesting we alert you when it is reposted. If you have any questions or concerns, please let us know at SHIGinformation@ohi.ca.gov. Thank you!”
