CAPH SNI REAL SOGI Data Request

REMINDER: If you haven't done so already, please send the data ASAP to dpong@caph.org

As directed by the [CAPH Board of Directors](#):

Data Request to CAPH Members:

- Level 1, Level 2 OMB race & SOGI categories among PRIME Eligible Pop with ≥ 1 in person Primary Care visit in the measurement period
- One-time, DY12 snapshot of all Project 1.2 Primary Care metrics stratified by REAL/SO/GI

Purpose:

- Analyze % REAL/SO/GI collection rate & perf improvement on PRIME disparity reductions
- Better describe our members' population & accomplishments in disparity reductions
- Identify & share successful practices & themes across membership beyond those in disparity plans

Project Implementation Resources

Posted on SNI Link: [PRIME Project Implementation Resources](#) filed under respective Project tab.

- **Project 1.2:** SOGI Office Hours with National LGBT Health Education Center
 - 90- minute sessions to answer questions, detail recommended practices, and describe strategies for adding SO/GI questions to registration documents, integration into EHRs, and appropriate staff training on how to collect the data. [Link](#).

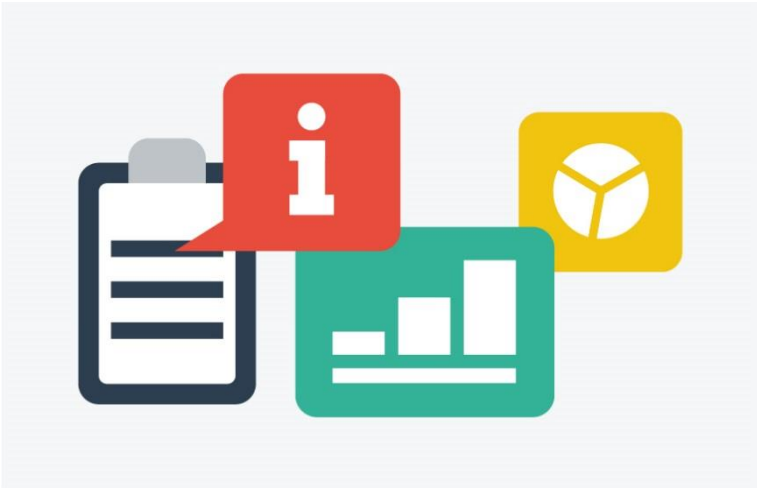

- **Project 2.1:** CMQCC Refresher Training for Maternal Data Center
 - CMQCC conducted a refresher training on June 8th. The MDC Support section under PRIME contains the recording ([link](#)). Slides are posted on [PRIMEone](#).

PRIME Evaluation by UCLA

Round Robin Questions:

- Has the UCLA Evaluation Team scheduled an interview with your health system?
- Has your health system completed the interview?
 - If so, what kinds of questions were asked?

REPORTING UPDATES

DY13 Year End Reporting Manual

- DHCS to send email announcement upon official release
- New user agreement pop-up before downloading
- July 16 Walkthrough Webinar by NCQA. Register [here](#)
- DY13 Year End Manual to be updated with revised SBIRT or HEDIS ASF measure
 - See DHCS 7/2 email announcement “SBIRT v. HEDIS ASF Survey” with attached Memo and July 2nd webinar slides and recording link.
- DY14 Manual to be released in end of Aug 2018
 - Update to HEDIS 2019 version
 - Update to eQMs

DY14 Benchmarks

- DY 14 Benchmarks v.1 on PRIMEone in the [PRIME Benchmarks library](#).
- Document will be updated as more benchmarks are released.
- The remaining benchmarks are expected to be released towards the end of July.
- 1.2.10 REAL SOGI Disparity Reduction (updated target in spec)
 - For selected disparity populations performing at or above the 90th percentile, the target will be a 10% closure of the gap between prior year disparity population metric performance and the corresponding prior year PRIME population metric performance. Entities will not be eligible to receive 1.2.10 incentive payments for a disparity gap closure that is the result of a reduction in the performance of the corresponding overall population. All incentive payments for this metric will be commensurate with the percentage of the gap closed as a result of improvements in the disparity population.
- 2.1.5 C-Section
 - High performance level 22%
