

PRIME / QIP Metrics Office Hour

Thursday, August 13, 2020, 12-1PM

[Play recording](#)

Presenters: David Lown dlownd@caph.org, Dana Pong dpong@caph.org
Recordings of the webinar and slide deck posted on [SNI Link/QIP/Webinars](#)

Housekeeping

Please mute locally if you're not speaking. Lines are also muted on entry. Please don't use a speakerphone in order to prevent an audio feedback loop, an echo.

Feel free to chat your question & we will read out. If you'd like to verbally ask your question, let us know via the chat and we'll unmute you.

Webinar will be recorded and saved on SNI Link: [PRIME Webinars](#) and [QIP Webinars](#)

Good News and Reminders

- PY3: CMS has officially approved proposal to use performance as of February 2020 against the metrics' 25th percentile benchmark!!
- PY3.5: Per CMS initial support and request, DHCS is putting the proposal into pre-print
 - For both Core QIP & PRIME Transitional metrics use performance as of February 2020 against the metrics' 25th percentile/minimum benchmark
 - Original PY3.5 pre-print needs to be approved before this modification is put forth
- **Very important: You have until September 9** to submit your complete, validated, double....nay, triple-checked PY3 report to DHCS, after which there is no guarantee of getting paid this fiscal year.
- **Contact us immediately** if you can't report by Sept 9 or have any questions about anything

Creating the New Normal for Primary Care - Two Part Webinar Series

Creating the New Normal for Primary Care

- Please join Public Health Care System clinical and operational leaders for the first two webinars of SNI's new series:
- This two part webinar series will cover the most important topics in primary care operations during the pandemic, based on members' most common requests for shared learning over the past two months.
- Contact Abby at agonzalez@caph.org for registration information.
