---

# PROGRAM UPDATES

# Waiver Extension Update

---

- CMS has granted a one-year waiver extension for GPP and WPC that will cover calendar year 2021
- As of now GPP only funded with DSH
- CAPH will seek reinstatement of SNCP funding

# PY6A Q2 Payments

---

- PY6A (Jul-Dec 2020) Q2 IGT requests were sent out before official delay of DSH cuts and reflect the reduced DSH amount
- DHCS will distribute Q2 payments on January 15
- DHCS sent out a second IGT request that will true up payments to the original uncut payment amount
- DHCS will return true-up payments February 15

# PY5 and PY6A Reporting

---

- PY6A interim aggregate reports are due February 16
  - DHCS sent out template on January 8
  - There is no interim reconciliation attached to this report; it is informational only
- PY6A final aggregate reports due September 30
- PY5 final aggregate reports are due March 31 along with supporting encounter data

# Threshold Adjustments

---

- CMS granted DHCS authority to adjust GPP thresholds during a public health emergency
- CAPH in discussion with DHCS on the size of adjustments and how to implement
- Adjustments for PY<sub>5</sub> will be considered first, followed by adjustments for PY<sub>6A</sub>( Jul-Dec 2020)
