**PHS CIO/CMIO Peer Group**
Thursday, January 27, 2022, 11:00am-12:00pm

**AGENDA**

1. **Welcome, Introduction & Announcements** (David Lown, 9 min)
   a. 2022 Virtual Care Programming
   b. Epic and Cerner Safety Net User Groups (eSNUG/cSNUG)
   c. Updates on Data Exchange Framework Stakeholder Advisory Group request
   d. Request for feedback on HITECH, CalAIM, & Health IT priorities
2. **Jamboard Activity: 2022 Health IT Concerns & Opportunities** (50 min)
   a. In this exercise, CIO/CMIOs will collaborate on a 2-part Jamboard activity to identify the top health IT concerns that public health care systems face in 2022. This activity is intended to help CIO/CMIOs understand which topics are most pressing for their peers as well as inform SNI's technical assistance in 2022.
3. **Closing** (David, 1 min)

Program Updates:
- **Next meeting:** Thursday, March 24, 11-12pm
- **Materials:** PHS IT Information Sheet available on CIO/CMIO page on SNI Link
- **Other topics of interest:** Please email Zoe
